Where Did We Come From?
WebQuest Questions for Phase Two

- What similarities do you see within your cultural group of stories?

- What differences do you find when you compare your group of stories?

- In each story, who is responsible for making the Earth, and how does this character go about doing it?

- In each story, who makes people and how?

- Do the stories describe the creation of any other creatures or heavenly bodies?

- As you read these stories write a five-sentence (minimum) paragraph for each story, that you will read to your group, that describes their most important points. This will help you to remember what important parts you may want to include in your own story.
